WORK EXPERIENCE

Luvski Website

SELF-EMPLOYED, 10/2021 -02/2022

- I realized the demand for connecting with opposite-sex peers is higher than ever.
- A fun website that assists my male classmates in learning to better communicate and form healthy rapport with their female counterparts.
- Breaking the toxic 'education first' conformity that is detrimental to high school students' well-being and development as well as to enhance public's awareness of the significance of sex education
